

Docket No. 12-0095

Q LINK Ex. 1.0

Rebuttal Testimony of Issa Asad

Q LINK Ex. 1.3 (Coverage maps that display the exchanges in the proposed ETC service area that are encompassed by Sprint's wireless network)

Due to the magnitude, number, and volume of these maps, a CD-ROM is being filed herewith. The CD-ROM contains 979 maps (total size 462 MB) that display the exchanges in the proposed ETC service area that are encompassed by Sprint's wireless network.

According to Crystie Super, Q LINK's Alliance / Partner Manager at Sprint, these are the most current and accurate maps for Sprint coverage in Illinois. The maps were created by Sprint's mapping team and were provided to Q LINK on a CD upon Q LINK's request. A copy of Crystie's email correspondence is attached hereto as Q LINK Ex. 1.4.

This Q LINK Ex. 1.3 was sent with Q LINK Ex. 1.4 to the Commission via Federal Express Overnight Delivery on December 10, 2013, Tracking No. 573050238713 to the Springfield, IL office and Tracking No. 573050238724 to the Chicago, IL office.
